Presidents Report Adrian Pilkington

Dear Members

I hope you are well, welcome to our April/May newsletter. The shirts have arrived and Peter will be distributing in the near future thanks chooka, We have our Somerset dam trip happening on the 19th of May, traditionally members like to use this trip to give the outboard motors a run in the freshwater, it is also a great trip to meet and socialise as no boats are allowed on the water at night and there are no official points or competitions for this trip. The club house kitchen has been upgraded and is looking fantastic. A big thank you to Danny and Gavan Salfus for all their hard work as well as the club members who took their time and skills to assist well done.

Our first trip to Straddie went well with a big crowd enjoying themselves, our second trip for the year to Straddie is in early June followed by Fraser Island in late August and our third Straddie trip in mid October, if you are new to the club these trips are great for the camping and fishing without the need to pack lots of food and cooking equipment as we bring that for you. Finally we have our 1st of 2 artificial bait day trips coming up on Sunday June 11th this trip runs from 5am till weigh in at 1pm no bait is to be used for this trip. Along with this trip we are having a seafood social day at the club from 12pm with lots of good food and fun for all members, all food, soft drinks and activities are free to members, I look forward to seeing you all there. Once again thank you to our supporters and sponsors. Tight Lines.
