FISHING CLUB

# BEACH FISHING TRIP #1

## Stradbroke Island

13<sup>TH</sup> - 15<sup>TH</sup> MARCH 2026

Members and guests are invited to our 1st beach trip for 2026 to North Straddie departing Friday morning, returning Sunday afternoon.

To make things easier to organise, we're trialing a new booking system. Members will now book their own barge directly with Sealink, allowing you to manage any changes yourself if needed.

However, you'll still need to register with the club so we can arrange your camping permits and ensure we cater enough food for the weekend. Use Code SEQFAM for 26% off when booking barge.
